Please share a few words about your professional career (i.e. current title/employer, business, profession, or retirement status).

The Great Coppin State University, in The School of Graduate Studies, Program and Enrollment Specialist

Why are you interested in serving as an officer on the Coppin State University National Alumni Association (CSUNAA) executive board?

I am interested in serving as an officer on the CSUNAA executive board because I can assist in transforming and promoting this great institution on many platforms. I have plans already in motion to sufficiently impact the development and growth of alumni association. Bringing in new members, to support those who have already contributed much.

Note:

Past - Sergeant at Arms, CSUNAA

Past - Parliamentarian, CSUNAA

Past - President of the On-Campus CSU Alumni Association

How can you support the alumni association to grow membership, help establish new alumni chapters, and increase alumni participation?

I can support the alumni association, engage the association, help to establish chapters within the association, and assist with increasing alumni participation because of the transformational leader that I am. I will lead by example, and I know for sure that the alumni association will follow in pursuit. I would have chat sessions and townhall meetings to engage the alumni members and permit them to be a part of the conversation and to voice their concerns. I will have multi-generational social gathering, trips, and athletic activities.

We will improve the communications lines and several other efforts will be taken to create a stronger and robust alumni association. We will establish initiatives to help the universities fundraising efforts. We will attempt to have alumni members appointed to major universities committees. I will work closely with the alumni association to establish chapters within churches, public schools, cities, businesses, etc.

Is there anything else you would like to share?

If you want to see change then you must cast your vote for me. Thank you in advance and Go Eagles Go!!!
