**Please share a few words about your professional career (i.e. current title/employer, business, profession, or retirement status).**

I am currently an educator with over 15 years of experience working children and adults. I currently teach high school in Baltimore City. I am a curriculum writer and have been certified as Microsoft Innovator since 2020. This enables me to teach others how to use Microsoft suite products to enhance the digital classroom.

**Why are you interested in serving as an officer on the Coppin State University National Alumni Association (CSUNAA) executive board?**

I love my Alma mater. I became a life member to make a lasting impact on Coppin State. I believe that I can do more. I am interested in serving because we need to strengthen our bond as alumni and to shift the narrative about Coppin. Have Coppin be the first destination for education, a hub for the community, and a home away from home. Serving as Treasurer will help with elevating the alumni as a strong steward of funds to support our biggest asset-- the students.

**How can you support the alumni association to grow membership, help establish new alumni chapters, and increase alumni participation?**

In terms of growing membership. I believe it begins with the last semester of the students senior year. We must start engaging students as future alumni. This can be done with meet and greets, alumni forums, and mentorship. To engage graduates, we must have that personal touch and do more alumni events that cater to the diverse demographic that Coppin has. Establishing chapters will be one of the top priorities of my tenure. This will increase visibility and opportunity to raise funds in different areas. I hope to make supporting Coppin financially a sound investment and that alumni would be remiss if they weren't involved.

**Is there anything else you would like to share?**

Coppin has provided me with more opportunities than I can count. Coppin has helped me build relationships. Serving as executive treasure will be my pleasure and my duty to my Alma mater.
